-FILED-

JUL 03 2018

At
ROBERT N. TRGOVICH, Clerk
U.S. DISTRICT COURT
NORTHERN DISTRICT OF INDIANA

I am writing this letter in regards to file a Law suit against Pulaski county Jail for unjust incarceration due to the ~~that I~~ fact that I was sentenced to a B and a C misdemeanor under the same cause number and spent from 10/31/2016 to 1/24/2017 good time in Pulaski county Jail then was placed on 180 days Probation. Then was brought back for a revocation and spent from 3/20/2017 to 3/24/2017 good time placed back on Probation until 7/27/2017 when a court date was set in which I failed to appear and was brought back for an Fta on 5/25/2018 to 6/25/2019 ~~and~~ ~~placed~~ ~~be~~ good time and placed ~~on~~ back on Probation until november 5th 2018 which on that date they've issued a court date to determine whether or not I have time served.

And my cause number has changed as well to 66col-1611-FB-00060 possibly due to a change of court rooms due to conflict of interest. All of these ~~in case~~ times of incarceration and probation sentences have been for the same b an c misdemeanor under the same cause number issued on 1/26/2018 an I feel I've served way over my amount of time.

Thank you for your time an consideration.
